- 2.1 The sailing instructions (SIs) will be available on the Official Notice Board (ONB) before registration opens for each event.

3 CHANGES TO RACE DOCUMENTS & SCHEDULE

- 3.1 Changes to race documents will be posted on the ONB at least two hours before the first warning signal scheduled for the day they take effect. - 4.2 Official notices and amendments will be published on the ONB.
- 4.3 Competitors and support persons can join the following WhatsApp groups. Official notices and amendments will be posted on the ONB; WhatsApp messages do not amend the NoR or SIs. Joining or leaving the group does not affect event participation. Telephone numbers, profile information and messages may be visible to other members:

 - 4.3.2 General competitor discussion (see [link](#))
- 4.4 [DP] While racing, except in an emergency or for RaceSense functions permitted by the SIs, a boat shall not make voice or data transmissions and shall not receive voice or data communication not available to all boats.
- 4.5 The race office is located upstairs in the MSC clubhouse.

5 ELIGIBILITY, ENTRY AND FEES

- 5.1 Subject to the Class Age and Rig Policy (see here), the event is open to all boats of the WASZP class sailing 6.9, 7.5 and 8.2 rigs.
- 5.2 Membership
 - 5.2.1 For both events, competitors shall satisfy WASZP Class Rule C.2.2 on membership of a National Class Association (NCA) or WICA, and the Yachting New Zealand prescription to RRS 46 on club or organisation membership.
 - 5.2.2 For the Oceania Championships, all competitors shall additionally hold current membership of WICA (see [membership](#)). This membership shall be obtained by 2359 on 10 January 2027.

- 5.6 The entry fee for the North Island Championships is NZD 120. Entries close at 2359 on 11 December 2026.

5.7 Entry fees for the Oceania Championships

5.7.1 The entry fees are set out in the following table. Times are New Zealand local.

Entry type	Closing date (2359)	Fee (NZD)	Included in entry

5.7.2 50% of entry fee paid will be refunded to a competitor who withdraws in writing where the withdrawal is:

- Due to a medical issue (supported by a medical certificate); or

6 ADVERTISING [NP] [DP]

6.1 If requested by the OA, boats shall display advertising chosen and supplied by the OA. This may include a requirement for competitors to wear bibs at specified times.

7 EVENT FORMAT, COURSES AND SCORING

7.1 Rig sizes may race together or in separate fleets. In either case, scoring will be by rig size with each rig size competing in a single series of races for each Championship.

7.2 The WASZP Grand Prix finish system will be used as set out in the SIs.

7.3 The North Island Championships will consist of windward-leeward (W/L) and/or leeward-windward (L/W) courses.

7.4 The Oceania Championships series may consist of a mixture of some or all of W/L, L/W, a Sprint racing series and a Distance Race. Each race format will be described in the SIs.

7.5 All race formats used will count in the Oceania Championship series.

7.5.1 Each W/L race, L/W race and the Distance Race will count as a single race score in the Championship series.

7.5.2 The final ranking of the Sprint Racing series will generate two identical race scores for each boat in the Oceania Championship series, each equal to her final ranking in that Sprint Racing series. These are separate scores for NOR 7.6 and 7.7 and RRS A8. The SIs will specify the Sprint Racing format, scoring and the chronological position of both scores for tie-breaking.

7.6 For each event, at least three race scores, before exclusions, are required to constitute a series. The two Sprint Racing scores under NOR 7.5.2 count separately for this purpose. The maximum number of race scores is:

7.6.1 North Island Championships - 9; and

7.6.2 Oceania Championships - 20.

- 7.7 A boat's Championship series score will be the total of her race scores, excluding her worst scores as shown below. The number of exclusions depends on the number of race scores in that Championship series before exclusions. RRS 90.3(b) applies. This changes RRS A2.1:

Series Race Scores	1 - 3	4 - 7	8 - 11	12 - 15	16+
Exclusions	0	1	2	3	4

- 7.8 Competitors may submit scoring enquiries at the race office.

- 8.3 On W/L or L/W racing days, four races are scheduled. The race committee may sail a fifth race if it considers the event schedule is in jeopardy, subject to the overall limits in NOR 7.6.

9 MEASUREMENT / EQUIPMENT INSPECTION

- 9.1 A boat or equipment may be inspected at any time for compliance with the rules.

 - 9.2.1 After the open measurement period on 11 January 2027, measurement will be by prior appointment with a measurer only.
 - 9.2.2 [NP] [DP] From 1200 on 11 January 2027, boats shall not launch unless they have completed event measurement.

12 PENALTY SYSTEM

- 12.1 RRS Appendix P applies. RRS P2.2 and P2.3 are deleted, and P2.1 applies to every penalty under Appendix P. The Part-Turn Penalty in NOR 12.2 does not apply to Appendix P penalties.
- 12.2 For a breach of a rule of Part 2 outside the zone, the Two-Turns Penalty in RRS 44.1 is replaced by a Part-Turn Penalty. After promptly sailing clear of other boats, a boat takes this penalty by gybing then coming to a close-hauled course on a windward leg, or by tacking then bearing away to a course more than 90 degrees from the true

wind on any other leg. RRS 44.1(a) and (b) and the finishing-line requirement in RRS 44.2 still apply. This changes RRS 44.1 and 44.2.

13 CODE OF CONDUCT [DP]

- 13.1 Competitors and support persons shall comply with reasonable requests of race officials and measurers.

14 SUPPORT PERSONS AND VESSELS FOR THE OCEANIA CHAMPIONSHIPS

- 14.1 Registration of all Support Vessels is required using the Support Boat Registration button on the ONB and paying the registration fee of NZD 200. The fee includes the same access to the social programme (for one person) as each Oceania Championships competitor receives. Registration, including payment of the fee and completion of the on-site requirements in NOR 14.2, shall be completed before the Support Vessel first goes afloat in support of a competitor.
- 14.2 During the on-site registration window, the person in charge of each Support Vessel shall attend registration to complete Support Vessel registration and pay a NZD 50 refundable deposit to receive their Support Vessel Identification Flag. The flag shall be returned to the race office by 1700 on the last day of racing to obtain the deposit refund. The person in charge of each registered Support Vessel shall attend the Support Vessel briefing scheduled in NOR 8.1 at 1030 on 12 January 2027, or at the revised time notified under NOR 3.1.

17 DATA PROTECTION

- 17.1 Personal information will be used to administer entries, eligibility, racing and results, and for safety and other event purposes described in WICA's Privacy Policy ([here](#)). The applicable legal basis depends on the purpose of the processing, as explained in that policy and the event privacy notice. Information may be shared with organisers, officials, service providers, national authorities and World Sailing where necessary and lawful. Results may be published; publication of hearing or appeal information is subject to confidentiality, safeguarding and appropriate redaction. The event privacy notice will identify the participating organisations' responsibilities and contacts. Before tracking begins, the event tracking notice will identify the provider, recording periods, public-access arrangements and applicable legal bases. Registering a personal tracking device does not authorise access to unrelated personal information or unrestricted reuse of tracking data.

18 RIGHTS TO USE NAMES AND LIKENESS

Notice of official photography and filming will be provided. Separate consent will be obtained where required, including for images implying personal endorsement of a sponsor or product. Additional safeguards apply to children. Participation permission does not authorise every use of information or images. Raise privacy objections or safeguarding concerns with the contact in the event privacy notice.

19 RISK STATEMENT

- 19.1 Rule 3 of the Racing Rules of Sailing states: 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.'
- 19.2 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
- 19.2.1 They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their boat to such inherent risk whilst taking part in the event;
 - 19.2.2 They are responsible for the safety of themselves, their boat and their other property whether afloat or ashore;
 - 19.2.3 They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - 19.2.4 Their boat is in good order, equipped to sail in the event and they are fit to participate;
 - 19.2.5 The provision of a race management team, safety vessels and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
 - 19.2.6 The provision of safety vessel cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
 - 19.2.7 It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any competitor briefing held for the event.
